Location	Grid Ref	Hints
Start	56S 315652E 6226495N	J. H. Kaye Scout Training center: Check you have all your patrol members and fill up water bottles.
Cache location 1	56S 314473E 6226070N	Mirang Pools: Turn off the firetrail, across the stream and under a rock
Cache location 2	56S 313580E 6225387N	Bullawarring trail: A bit hard to find, across the Battery causeway, to the left and behind the sign. After completing this activity, follow the Bullawarring Trail
Cache location 3	56S 313411E 6221904N	Kingfisher Campsite: Look in the big leafy plant nearest to the campsite marker
Cache location 4	56S 314253E 6221633N	Junction with firetrail: Find the Kingfisher arrow and search where it points. After this activity, take the firetrail uphill and to the West
Cache location 5	56S 314104E 6220241N	Enter Camp: Look under the leader seated on a chair
Finish	56S 314399E 6220229N	Camp Coutts: You will be told where we set up camp for the night

General Instructions

- 1 Register your patrol with the Hike Co-ordinator at the start point and record the information at the top of this sheet
 - 2 Plot each of the grid references above on your map and plot a route through them to Camp Coutts
 - 3 At each of the 5 Cache Locations, find the cache using the hints
 - 4 Each cache will have a number of Minion Card, select one and only one card
 - 5 Complete the task on the Minion Card and record the answer on the space provided on the card
 - 6 Take your Minion Card with you, but leave the rest in the cache for the next patrol
 - 7 Make sure you collect one card from each of the 5 cache locations.
- You will lose points if you miss a cache, but you will also lose points for being late to the finish by
8 searching for lost caches
